Increase Your Training Budget! Receive State Funds for Employee Training

Dunton Consulting offers professional, effective business services in procuring state funding for worker training, custom training development, and program management.

We specialize in obtaining California state funding to support worker training programs for businesses with employees located in California. Over 60 thousand businesses have received funding so far.

- We get training funds for your company
- Minimal time investment to determine eligibility
- We receive payment only if your award is approved

The potential for funding is truly amazing! Over \$70 million dollars will be awarded to successful applicants this fiscal year. *Awards can range from tens of thousands to millions of dollars.* Contact us today for a free consultation!

Program Details

What types of training qualify for state funding?

- Qualified training includes: sales, new hire, customer service, ISO, management, process improvement, language (ESL), software, technology, MRP, ERP, automotive, banking, construction, food processing, insurance, medical, production, and more!
- Training methods can include instructor-led, video conferencing, eLearning, computer-based training (CBT), lab, and production cross-training.

What are the program qualifications?

- Companies must be for-profit and have out-of-state competition (with some exceptions).
- To participate employees must be full-time (35 hrs) and meet a minimum pay range.
- Companies must have a valid California Employer Account Number (CEAN).

How much money is available?

- Funding amount is determined by a number of factors. Funding determination factors include number of eligible employees, training hours, types of training, business need, and location.
